

# Carson Bartholomew

## Front-End Web Developer

### ABOUT

Front-End developer and designer currently working from home as a freelancer. Self-driven individual and initiative taker. Part-time problem-solver, full-time passion-pursuer. Enjoys graphic design, game design/modding, digital audio, and Autumn hikes through the mountains. Seeking full-time work to expand his skills, work with a team, and contribute to larger projects and ideas.
